Interior Doors – *Make the white choice!*

Selecting the right internal door for your interiors project, has always been important. Whether from a practical, design or budgetary perspective, interior doors are integral to well-designed living spaces, providing space functionality and reflecting general ambience and mood within rooms.

Although we live in a world where colour pervades, sometimes simplicity in design can often be the secret to creating timeless appeal. One way to achieve purity within your decor, is with the use of flush white doors. White, with its inherent ability to rejuvenate and add a fresh clean look to modern interiors is widely recognised, however it does not mean that scope for differentiation is limited. The White Collection by Vicalma, demonstrates that taking this singular tonal path can also open up a whole new world of possibilities.

Bringing together some truly distinctive finish options in white, the White Collection by Vicalma, demonstrates that this fundamental hue is not actually a single colour, but has in fact a myriad of shades with both smooth and textural surfaces. Furthermore, doors can be embellished to allow even greater design flexibility, by the addition of decorative face grooves and inlays, or even glazed patterns.

There are many inspiring finishes within the collection, however some of the most notable include: Leodor in Satin White, with its tough, ultra-smooth curtain coated and UV cured lacquered paint finish; Dekorador 3D Cloud White, a highly tactile and durable surface, Dekorador 5D White Woodgrain finished foil, for a bright white budget friendly pre-finished door, Dekorador HD White, a continuous

pressure laminate for demanding areas and for those who still prefer to paint their own doors. Primed 2 Go, with its revolutionary skin that requires no face sanding or priming and which will accept paint straight onto its smooth surface, to achieve an excellent end result.

Few door manufacturers offer such a comprehensive selection of crisp white designs as Vicalma. Available in the full spectrum of dimensions, incorporating the unrivalled dependability of quality constructional cores and with benchmark performance for demanding situations, Vicalma White doors suit all types of projects and budgets, so take a closer look now by downloading the brochure or request a colour sample of your chosen finish from www.vicalma.com
