UNEXPECTED HARMONY

HIGH GLOSS

LET IT SHINE WITH VICAIMA GLOSS FINISH

Interiors take on a luxurious appeal with the addition of a high gloss finish. Adding a feeling of space and with the benefit of reflecting available light, a gloss finish can transform the ordinary to give a touch of sophistication and enhanced design quality. Available as an optional final touch, gloss lacquer is available on both veneered and coloured finishes from the Vicaima Naturdor and Lacdor ranges.

Features:

- High Gloss finish is available for Naturdor®, Naturdor® Stained, Naturdor® SL and Lacdor ranges
- Gloss finish can be applied to performance doors, including fire, security and acoustics
- Available for both door and frame with our Portaro door kit system
- Matching wall panels and wardrobes can also include our gloss finish where required
