Dekordor® HD Colours

Bring colour to life

PT Este revestimento laminado de elevada resistência e fácil limpeza, é a escolha ideal para projetos hoteleiros, residenciais, de saúde, escolares ou comerciais. Inspirada nas últimas tendências de decoração, a paleta de 14 cores que estimulam a criatividade e a harmonia, foi enriquecida com novas cores neutras que combinam com decorações elegantes e subtis, permitindo-lhe dar um novo visual ao seu projeto.

EN This highly resistant, easy-to-clean laminate finish is the ideal choice for hotel, residential, healthcare, education, or commercial buildings. Inspired by the latest decor trends, the 14 colour palette, spurring creativity and harmony, has been expanded with new neutral colours which match elegant and subtle decors, enabling a stylish look to be created for your project.

ES Este revestimiento laminado de elevada resistencia y fácil de limpiar, es la elección ideal para proyectos hoteleros, residenciales, sanidad, escolares y comerciales. Inspirada en las últimas tendencias de decoración, la paleta de 14 colores que estimulan la creatividad y armonía se ha enriquecido con nuevos colores neutros que combinan con decoraciones elegantes y sutiles, permitiéndole dar un nuevo look a su proyecto.

FR Ce revêtement de sol stratifié très résistant et facile à nettoyer est le choix idéal pour les projets hôteliers, résidentiels, sanitaires, scolaires et commerciaux. Inspirée par les dernières tendances en matière de décoration, la gamme de 14 couleurs qui stimulent la créativité et l'harmonie a été enrichie de nouvelles couleurs neutres qui s'accordent avec des décors élégants et subtils, vous permettant de donner un nouveau look à votre projet.
