UNEXPECTED HARMONY

BRING COLOUR TO LIFE

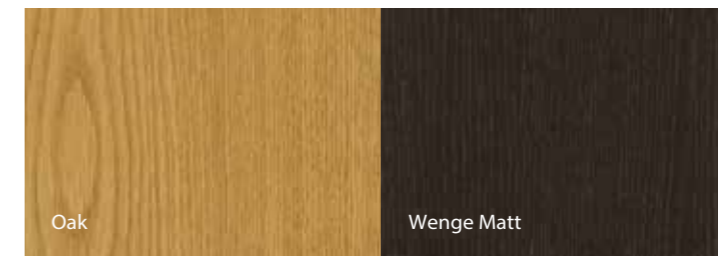

When the project calls for on-trend door and frame laminates, to match a corporate look, add subtle tones or even a touch of vibrancy to the interior; Dekordor® HD range provides the perfect solution. Bringing colour to life and manufactured with heavy duty (HD) continuous pressure laminate, Dekordor® HD is suitable for a wide range of applications, where durability and design go hand-in-hand. Available in an extensive palette of 12 finishes makes it an ideal choice for hotels, student accommodation, healthcare, schools, offices or commercial buildings.

Features and options:

- High resistance and durability
- Door, frame and panels with the same finish
- Oversized doors for added mobility between spaces
- Portaro® solutions, sliding, inverse, pivoting and overpanel
- Glass openings and impact protections
- Fire resistant, acoustic and security certified performance
- FSC® certified for environmental care
