White

The look that's always fresh

Simplicity in design is the secret to creating timeless fashions. To rejuvenate this stalwart of interior decor, the new White Collection from Vicaima, presents a contemporary style, with multiple coating options, smooth or textured finishes, and a palette of white shades to choose from.

To inspire even greater decorative freedom, this collection also enables a wide range of customised features, ranging from singular statements to subtle embellishments. Select from glazed doors, grooved or inlay designs, for that finishing touch.

The White Collection from Vicaima includes:

- Ultra smooth Laccdor in RAL 9003 and 9010 colours
- Dekordor® SD, Standard Duty Foil
- Dekordor HD, Continuous pressure laminates
- Factory finished or ready to paint options
- Glazed, grooved or inlay designs
- Available as doors only or door and frame options
- Fire, acoustic and security performance as required
